

# Peering into Peer Review from an Interdisciplinary Perspective

TD COST Action TD1306 PEERE  
“New Frontiers of Peer Review”

Teleborgs Slott  
Växjö, Sweden  
30 August – 1 September 2015

The meeting aims to identify the main challenges for peer review in an increasingly complex scientific landscape and discusses measures to improve the situation. It also aims to foster the discussion among the various research groups included in the WG1: Theory, analysis and models of peer review.

Invited speaker:

Aileen Fyfe (University of St. Andrews)
